

Men's Leagues

The Eagle River Golf Course hosts two, nine-hole, men's leagues on Monday and Wednesday evenings. These leagues are match play for two-man teams.

Play begins as early as 3:00 pm, and continues into the twilight hours with the last teams starting play at 6:00 pm. Teams play nine holes each week alternating between the front and back nine of the course each week.

Individual league fees for 2021 are \$90 per league with three, optional game buy-ins at an additional \$50 each for the season. Each league keeps its own handicaps for players based on their weekly scores. You do not need an established handicap to begin, but it is recommended to help new players in the first weeks.

Players who have not chosen a partner for the season will be paired randomly with another, unpartnered player to make a team.
