

## *Welcome to the 2022 Eagle River Ladies Golf League*

The ERLGL is a wonderfully diverse group of women golfers, with varied abilities who enjoy the game of golf! Some enjoy the challenge; others hope to learn more and improve while most all truly enjoy the comradery that each week brings.

Our league play begins the first Tuesday in May and we have a scoring game each week as a single player, with a partner or as a team depending on the game. You can play 9 or 18 holes based on your schedule and preference. Everyone plays the same game for 9 holes and the 18 hole players play a different game for the remaining 9 holes. Occasionally the weekly game will mean assigning foursome, but other weeks, you are free to sign up with friends or with friends you haven't yet met!

You must establish a handicap to play in league. Please talk with the Golf Pro, Tony Sable as he can help to get you started. You can use a handicap from another state if you have one already established. The weekly flights are based on your handicap to determine the winners of the weekly game. Winners will receive their earnings at the Fall Banquet.

The ERLGL membership voted at the Fall Banquet to increase the yearly dues to \$75. This covers the weekly games of chip-in, long putt and the shoot out and will also increase the weekly, championship and horse race payouts for all participants for the season. The \$30 WSGA handicap fee would be additional if needed.

We will continue the Ringer contest which runs May 31<sup>st</sup> to Aug 30<sup>th</sup> in which we can improve upon our best score for each hole, week to week. It's only \$5 to enter and winners will be paid at the Fall Banquet.

We look forward to seeing all of you back in Eagle River and are looking forward to our 2022 season! Please note our Spring Meeting is Tuesday May 24<sup>th</sup> following golf. Please contact any of us if you have questions or would like more information:
