

Welcome to the 2023 Eagle River Ladies Golf League

The ERLGL is *still* a wonderfully diverse group of women golfers, with varied abilities who enjoy the game of golf and enjoy the comradery that each week brings. Welcome back to most of you and hello to any potential new or returning members this may reach thru friends, the Eagle River Golf Course website or Facebook page!

Our league play begins this year on Tuesday May 16th. We have a scoring game each week as a single player, with a partner or as a team depending on the game. You can play 9 or 18 holes based on your schedule and preference. Everyone plays the same game for 9 holes and the 18-hole players play a different game for the remaining 9 holes. Occasionally the weekly game will mean assigning foursome, but other weeks, you are free to sign up with friends or with friends you haven't yet met!

You must establish a handicap to play in league. Please talk with the Golf Pro, Tony Sable if you need to get started. You can use your handicap from another state. The weekly flights are based on your handicap to determine the winners of the weekly game. Winners will receive their earnings at the Fall Banquet.

The dues this year for ERLGL is \$75. This covers the weekly games of chip-in, long putt and the shoot out and is also part of the weekly, championship and horse race payouts. The \$32 WSGA handicap fee would be additional if needed. There are some uncertainties with the Club House facility and restaurant status, so please be patient and try to be flexible as we navigate this together as a league this summer.

The Ringer contest runs May 30th to Aug 29th and we can all improve on our best score for each hole, week to week. It's only \$5 to enter with winners paid at the Fall Banquet. There are so new and exciting changes coming this summer and we look forward to sharing them with you this Spring.

We look forward to seeing all of you back in Eagle River and are looking forward to our 2023 season! *Please note our Spring Meeting is Tuesday May 23rd following golf.* Please contact any of us if you have questions or would like more information:

Darla Ewer, President 406-868-0113

Sarah Guenther, Vice President 920-290-2723
